

Be Glad in Heart

Text: Edgar Newgass

Music: Traditional Dutch Tune, arr. Geoffrey O'Conner-Morris

The Father's tender love
Can never wane nor waver,
His arms outstretch above,
Eternal is His favour.

REFRAIN:

Be glad in heart,
His praise in word and work expressing.
Walk ye in all His ways,
Rejoicing in His blessing,
Rejoicing, rejoicing,
Rejoicing in His blessing.

Commune with Him my soul,
With Him who is perfection.
His kingdom be our goal
Where man is Love's reflection.

REFRAIN

Let us uplift our thought
To Him in adoration,
Whose steadfast arms support
His well beloved creation.
