

Song of Unity

Word & Music: Joseph M. Martin

In Christ there is no East or West, in Him no South or North,
But one great fellowship of love throughout the whole wide earth.
One world communion under grace, one hope, one Lord, one faith.

We are one song, we are one people.
We have one hope, one God above.
We are one voice, we are one music.
We are one great song of love.
We are one world, we are one spirit;
one great church in Christ's embrace.
We take one Bread, one Wine unites us.
We are bonded in God's grace.

Like the colours of the sunset, as the sands upon the shore,
Each of us is very different, yet we work in one accord.
Our differences make music, a harmony of life,
a symphony of sharing, one purpose, one vision, one in Christ!

We are one song, we are one people.
We have one hope, one God above.
We are one voice, we are one music.
We are one great song of love.
We are one, a world communion.
We are one in Christ's embrace.
We are one in our faith.
We are one in our praise!
We are one in God's glorious grace.
We are one! We are one! We are one!
